EXPERIENCE

GPJ

Creative Technology Director
Oct 2019 - Current

A member of various leadership teams I define what Creative Technology means within GPJ, whether it be unique physical or digital experiences.

TEAM ONE

Creative Technologist
June 2014 - Oct 2019

Bridging the gap between the physical and digital creating prototypes, installations, or proof of concepts for national advertising campaigns.

PEAKLOGIX

Creative
July 2012-Jan 2013

Being the only creative at a business for warehouse efficiency I helped give their brand personality. I took all in-house photos, art directed, video edited, wrote copy to creative direction.
